Matriculation(SSC)   *2020*

EXPERIENCE

Software Operation Integrator   Jul 2025-Aug 2025
Skymart Express India   *Zirakpur, Chandigarh | On-Site*

- Assisted in software system integration and IT operations aligned with organizational goals.
- Participated in training workshops to enhance technical performance and team collaboration.
- Gained practical experience in handling live project tasks and workflow optimization.

Software developer intern   Jun 2024-Jul 2024
Deosoft IT Pvt. Ltd.   *Ranchi, Jharkhand | On-Site*

- Designed responsive UI for a fashion newsletter and golf booking website ensuring smooth navigation.
- Integrated APIs for real-time booking and authentication with a focus on user flow simplicity.
- Collaborated on code reviews and debugging while maintaining design consistency.

Lead Campus Ambassador   Jan 2023-Apr 2023
Beyond Exam   *Mumbai, Maharashtra | Remote*

- Conducted sessions on portfolio building and UX principles for peers
- Introduced WordPress for creating accessible and user-friendly websites.

PROJECTS

Personal-Portfolio-Website | *React.js, Vite, Tailwind CSS, GSAP*

- Developed a fast and responsive portfolio using React.js and Vite, with a clean component structure for easy scalability.
- Implemented smooth, high-quality animations using GSAP and designed an elegant UI with Tailwind CSS and Lucide Icons.

Data-Visualization-Dashboard | *MERN Stack*

- Designed and developed an interactive dashboard to present complex datasets in a simple and visual manner.
- Implemented dynamic charts and graphs that allow users to analyze trends and patterns effectively.
- Structured the project with clear separation of frontend and backend, ensuring scalability and ease of maintenance.

SidCup-Family-Golf | *HTML, CSS, JavaScript*

- Developed a responsive multi-page website with sections for adventure golf, lessons, and bookings.
- Designed interactive UI elements with smooth navigation to improve user experience.
- Implemented booking forms with validation to ensure accurate user input.
